ways. They beat Louisville 52 to 48 after trailing the entire game, and they will go on to play Virginia on Saturday, and this resolution is simply to congratulate them for winning the Missouri Valley Conference, congratulate Mr. Buford for being Missouri Valley Player of the Year for the third year running, and I would appreciate the Legislature supporting this. Thank you.

SENATOR CROSBY: Thank you, Senator Kiel. Discussion on LR 38, Senator Chambers.

SENATOR CHAMBERS: Madam President, members of the Legislature, I'd like to ask Senator Kiel a question.

SENATOR CROSBY: Senator Kiel, will you yield...

SENATOR KIEL: Yes.

SENATOR CROSBY: ...yield for a question?

SENATOR CHAMBERS: Senator Kiel, how in the world did this resolution get on the agenda for us to debate it rather than it just sliding through like others are doing?

SENATOR KIEL: Because I wanted to make sure everybody knew that we pay attention to the university that is located in my district also.

SENATOR CHAMBERS: Thank you. That's going to put me in a position of having to vote against this resolution. These are the very...with all due respect to Senator Kiel and I am not offended at her, these are the...this is one of the types of resolutions we put that rule in place for so that it wouldn't be necessary for me to stand on the floor and speak against these things. I'm the only one who will not knuckle under and just show that routine courtesy of swallowing spit and supporting every resolution that comes up and not say anything about it. I'm a graduate of Creighton University. Yes, Senator Kremer, there was a Creighton University when I was young enough to go to university and I did graduate from Creighton University. I had no problem graduating. I missed more than 50 percent of all of my classes, some I attended so rarely that when the finals
